

15 STEPS TO WIN

Presented By:
Dr. Beverly Jordan

15 STEPS TO WIN

1	Get clear on the vision.
2	Focus on one thing initially to avoid confusion and over-analysis.
3	Determine your target audience or market.

15 STEPS TO WIN

4	Identify key collaborators and partners
5	Determine the necessary systems and technologies for your vision
6	List the equipment required for your project

15 STEPS TO WIN

7	Establish processes and procedures
8	Assess the need for additional human resources and support
9	Decide whether you need a coach or consultant

15 STEPS TO WIN

10	Define the steps required to launch your vision
11	Set short-term and long-term goals
12	Engage in prayer and seek agreement in prayer

15 STEPS TO WIN

13	Be prepared to endure challenges and opposition
14	Declare and decree the fulfillment of your vision
15	Take action and start working on your goals
